Highlights from the November Meeting

The AMA Renewal process is underway. So that he can verify them, send Ricky Thompson your renewed AMA number or physically show him your card.

35 members were present

Preparations were finalized for the Toys 4 Tots Fly-In. Donations from Hobby Shops will be raffled. The club spent \$110 to pay for half the cost of a plane from Tom's as a raffle prize. Food will be donated by Supreme foods.

The Night Fly prior to the main event may have hot dogs available.

A board meeting was held recently, but details had not been typed yet.

A topic of discussion was the shelter extension. Costs were estimated at \$300 per section with about \$100 to place the gravel. The AST has set aside cash on hand for Western extension because if erected on the Eastern side, it would block the view of the airshows. A motion was made and passed to proceed with the Western extension.

A vote was taken to cut the grass and parking lot the week prior to the Fly-In.

Keith Harrell described the pattern contest he ran with 5 contestants and a slight breeze. Overall, it went very well. Winners were:

- 1st Wade Saltzgeber w/electric glider
- 2nd Pat Finn
- 3rd JT Simmons

At the Driver Days event, the city provided a 20 x 20 tent. Dave Cokely had several helpful volunteers. Many people were interested and took a lot of info about the upcoming Toys 4 Tots Fly-In.
