Highlights from the March Meeting

Treasurer's Report was read by Alex in the absence of Ricky Thompson.

Warren Coleman gave a report on the Banquet. Rodman's Catering will serve a 'split pig' with many sides and BBQ chicken for about \$20 per person. The event was opened to guests who may be in town to attend the Fly-In. It will be at the Planter's Club. Ray Goodwin will take reservations. He will need all those who will attend to have paid a week prior to the event. The event will open at 6 with punch and hors-doeuvres. Gifts will be given to all women who attend, and a special quilt will be raffled. Dinner will be served at 7. The entire menu is as follows:

Pork BBQ in sauce
Fried and Baked Chicken
"Split Pig"
Coleslaw
Potato Salad
Baked Beans
Corn Muffins and Dinner Rolls
Iced Tea

The City intends that on the 24th the remainder of the trees will be cut. Grass seed may be available by the end of the month depending on the City of Suffolk's spending guidance. Chain Saws and other tools will be needed on Saturday.

Ray Goodwin is coordinating filling the expanded field area.

Luis Sandoval announced that the Boy Scouts is having a Blue and Gold Banquet. They have asked for donations to support their organization. The club approved a \$50 donation.

The Area Council meeting was held March 7th. Alex asked for inputs to be presented to the Council. There were some minor changes made to the event schedule for the season. Editor's Note: These changes are reflected in the 'Events' column in this edition.

Highlights from the March Meeting (cont'd)

Wade Saltzgiver reported that the indoor events at Boo Williams have turned into a weekly event every Wednesday. It costs essentially \$6 per hour to fly. Wade stated that there will be a larger event May 25th 9 to 5 pm.

Ray Goodwin will assume Safety Officer and Chief Flight Instructor duties, and solicited inputs for his action.

The Field Workday will be held Saturday, April 4th. The Rain Date is the 11th. Work items include: landscaping, painting (bleachers) and possibly erecting the shelter extension. Most of the work items depend on the city providing materials which has become less likely in light of the city spending freeze. Placing the bleachers on the left side of the field was discussed.

There will be a BoD meeting March at 7:30.

Christopher Griner was welcomed as a new member.
