Editor's Apologies--I'm in the process of settling in my new house and have not had the time to keep up with the club's meetings and other events. I do not have any notes from the November or December Meetings.

Highlights from the October Meeting

31 Members and guests were present.

Treasurer's Report and Minutes were read.

Elections November Meeting

No new nominations for Club Officers were made, and the nominations closed.

The Board of Directors met and the Hampton Yacht Club was the best offer for the Banquet, and the event will be held there. Membership and use of the field was also discussed.

Driver Days was discussed and determined that the club tent should be there and set up Thursday the 22nd, and the club will participate on Saturday only. Volunteers are needed to set up the tent. R/C Magazines will be handed out at the event.

No real updates to the Toys 4 Tots event. The Raffle was discussed, and approximately \$200 will be used for raffle prizes. Only new items will be accepted for donation as raffle prizes. Dom DePolo will donate some new electric motors, speed controllers, and giant-scale kit. It was also motioned that the club donate the cost of raffle prizes, and recoup expenses for food and beverage. There will be a Night-Fly prior to on the 19th. Event will start at 8 am, with Pilot's meeting at 8:30. There will likely be an electric combat event. Trainers are also needed.

Highlights from the October Meeting (cont'd)

Runway Repair Day is tentatively set for December 4th. Make any and all suggestions about laying the mats to Dave Haywood. Apparently, there was some damage done to the West end of the runway by the mower that needs to be spiked down.

New Pilots Certifications were made available to--Jason Taylor, Rich Wilkes, Jim Meyers, and Neil Cunningham.

The Club thanked Ray Goodwin for the new Wind-sock at the field.

Bob Howell reported that after the torrential rains from last weekend, there were no major puddles on the field, and those who put the new drain system were thanked.

For Sale:

80 inch World Models Zero with air retracts, Saito 1.80 with servos (\$600).
